

- 6) This is the site of one of the Bishops Storehouses which was used to store the tithings people gave to the Church. The Storehouse is now located on Block 19, Lot 5.
- 7) Andrew Larson Home - Built around 1906 by Andrew Larson. It began as a 2 room house and a few years later Andrew Larson added to it. Most of the property has been subdivided, but a cistern and wash house remain outback of the house.
- 8) William Hirsche Home - Built between 1904 and 1916 by William Hirsche and has been added to several times over the years. There are still fences, outbuildings, a cistern and shelterbelt.
- 9) Michelsen Home - Originally a 2 room home built in 1902. In 1912, George Oler built this larger home onto the smaller one. This property has a barn (built by George Oler), outbuildings, fences, a cistern and shelterbelt. This property has been in the Michelsen family since 1902. In 1995 the Village of Stirling purchased this property.
- 10) Rasmus Michelsen Home - Built in 1922 by Rasmus Michelsen. Several additions have been made to home over the years. There are outbuildings, fences, a cistern, and an irrigation ditch still on this property.
